Phone No. [redacted]

Our family consists of:

My mom, My niece, 2 sisters, brother-in-law

Our Katrina experience was:

I worked during the storm at the hospital. I sent my family away. When I finally got out 2 days later. You know the rest. Patients unable to be away from family for 2 more days. I was glad to finally get through to tell them to stay inland. They were telling them of the devastation and that everything was lost. Their response was simple -- "We have our lives." I was joined with them 3 days later. Thank you God!

Write something special that you would like Santa to bring you or your family:

Mom - her home any supplies to Rosecloak, electrical, etc...

Niece - Computer (Senior this year)

Sisters - CD's (latest R&B, Hip/Hop)

Brother-in-law - fishing equipment

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
